Shade & Texture Index

Color Perspectives has a shade variation of V1.

This tile product is produced with a V1 variation. Differences among pieces from the same production run are minimal. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Recommended Use

Color Perspectives tile is recommended for interior vertical surfaces in wet or dry applications. See CrossvilleInc.com for detailed installation instructions.

Care and Maintenance

Regular cleaning is the best way to keep Color Perspectives tile looking good for years to come. Use clean, hot water (combined with a non-abrasive household cleaner, if needed). Rinse thoroughly and dry with a soft cloth to prevent spots. No waxes or sealers are need. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
