

ARTISTIC STONE

M O S A I C

Natural stone processing traditions have centuries old history in Italy and as in the old days, Italian artists continue to amaze the world with new discoveries in the art of processing stone surfaces. Artistic Stone collection represents the most vivid and extraordinary part of Skalini. The latest technologies are combined here with the distinguished design solutions. The chord of bright colors and exquisite ornaments will never leave you indifferent. Skalini designers made sure that these products will meet all your needs in creating designs in your own unique way.
