

A collection that will inspire a lush island living space anywhere with a special vibe and an essence, touched and inspired by Balinese influence. Mosaics of glass and stone combined with classic design, let in a warm and welcoming character. Textures, glass and stone all blended with 3 stone colors complete any designer's dream space.

BATIK CARRARA
73BL-05CA

Variation in color, shade, finish, hardness, strength and slip resistance is inherent in Natural stone products. White marbles contain naturally occurring deposits of iron which may lead to discoloration of marble and turning it yellow-rust or gray if used in wet areas. These are natural characteristics of the stone and that is why it cannot be considered as a defect in the product. We are in no way responsible for discoloration of the natural stones.
