

Warranty

Livex Lighting Inc. products have an unconditional warranty for one year from the date of invoice against any manufacturing defects. Defective items will be replaced or repaired at Livex's discretion. The wattage listed on all fixtures is suggested and is subject to change without notice in accordance with UL, C-UL, or ETL specifications. Improper lamping may result in damage and will void the Livex guarantee. Any modification to a Livex Lighting product will void the Livex Lighting warranty policy and also the UL, C-UL, or ETL listing.

Outdoor fixtures have an unconditional warranty for one year from the date of invoice with the exception of fixtures in Antique Brass -01, Polished Brass -02, and Brushed Nickel -91; There is no warranty offered on these outdoor finishes due to extreme conditions such as acid rain, salt air, and ultra-violet exposure. Livex Lighting will not be responsible for oxidation and/or discoloration of Antique Brass -01, Polished Brass -02, and Brushed Nickel -91 outdoor fixtures. All cast aluminum outdoor fixtures have a powder coated finish.
