Underlayment: 1.5mm IXPE backing for sound insulation and comfort
Finish: EIR Real Touch™ Technology
Installation: 5Gi Drop&Click®
Warranty: Limited Lifetime Residential; 10-Year Limited Light to Medium Commercial

Vanilla

Beige

Greige

Pewter

Please note this series is a high shade variation option. Each carton will contain planks that will vary in coloration from piece to piece. This is intentional as it adds character and beauty to the look of the final installation. The aesthetic appeal of this product is the natural and inconsistent rustic visual. Be sure to reference multiple samples when selecting for your space.
Daroca - Herringbone

Plank Dimensions: 6” x 36” x 6mm
Wear Layer: 20mil
Core Material: SPC (Stone Polymer Composite)
Underlayment: 1.5mm IXPE backing for sound insulation and comfort
Finish: EIR Real Touch™ Technology
Installation: 5Gi Drop&Click®
Warranty: Limited Lifetime Residential; 10-Year Limited Light to Medium Commercial
Plank Dimensions: 9” x 60” x 6mm
Wear Layer: 20mil
Core Material: SPC (Stone Polymer Composite)
Underlayment: 1.5mm IXPE backing for sound insulation and comfort
Finish: EIR Real Touch™ Technology
Installation: 5Gi Drop&Click®
Warranty: Limited Lifetime Residential; 10-Year Limited Light to Medium Commercial

Please note this series is a high shade variation option. Each carton will contain planks that will vary in coloration from piece to piece. This is intentional as it adds character and beauty to the look of the final installation. The aesthetic appeal of this product is the natural and inconsistent rustic visual. - Slim Trim in Daroca Pewter and all other colors of VersaEdge Extra Tall Stair Nose are coming soon to QuickSHIP
- Quarter Round are Special Order and ship within 3-5 business days

VersaEdge – Extra Tall

The VersaEdge Stair Nose combines style and function to enhance the beauty of a staircase or step. For use on flooring with an overall thickness of up to 3/4” (19 mm).
- Surface Material: High Wear Resistant Aluminum Oxide Laminate
- Core Material: Aluminum

“Lock-Down” Install (e.g. Stair Treads)
- Laminated/Vinyl/Polymer/Engineered Wood
- Wood/VT/Alternative Finish
- Adhesive Tape
- Remove Prior to Install

“Floating” Install
- Laminated/Engineered Wood
- Air-mesh Tape
- DO NOT REMOVE BACKING!

SlimTrim

Our Slim Trim 3 in 1 Molding functions as a Reducer, T-Molding, and End Cap.
- Surface Material: High Wear Resistant Aluminum Oxide Laminate
- Core Material: PVC

Available Trim

Quarter Round

Quarter Rounds are used to conceal the required expansion space between the wall and the laminate flooring.
- Surface Material: Decorative Paper
- Core Material: Moisture Resistant Quarter Round
- Exterior Grade Composite Wood Product

Schluter Trims
- All styles are 94” long
- Available in Brushed Chrome, Brushed Nickel, and Antique Bronze
- All Schluter VINPRO Trim is Special Order and ships within 3-5 business days

VINPRO-S
Resilient surfaces edge protection profile

VINPRO-T
Resilient floor covering profile for retrofit applications

VINPRO-U
Resilient floor covering transition profile for reducing to lower elevations

VINPRO-RO
Resilient surface edge profile with rounded reveal for stairs and outside wall corners

VINPRO-STEP
Resilient floor covering finishing and edge profile for stairs
SPC (Stone Polymer Composite)

1. Ceramic Bead and UV Coating – Protects the color from fading and the textured surface creates an authentic and natural look

2. Wear Layer

3. Design – Exceptionally realistic HD printed wood designs and architectural surfaces

4. SPC Structure

5. IXPE Foam Pad – Provides sound insulation and cushioning for comfort; Odorless and eco-friendly

SPC Features

- Allows for a less brittle click system
- Offers greater impact resistance than WPC
- Waterproof – 100% closed cell foam membrane; Inert to any water absorption
- IXPE (Irradiation cross-linked polyethylene) backed premium acoustical underlayment impervious to mold, mildew, rot, and bacteria. Cushions the flooring for a softer feel when walking.
- Excellent sound under foot as well as a heat preserver

Care & Maintenance

After installation, be sure to sweep up all trash and remove debris. Keep the floor covered with heavy paper or cardboard if there is to be additional construction work in the space. Keep leftover material and store it in a climate-controlled space for future needs.

The feet of furniture must always be covered with floor protectors made of non-staining felt or non-pigmented hard plastic. Chairs, sofas, or other furniture with castors must be fitted with soft rubber wheels and have an adequate protective mat or protective castor cups.

When moving furniture take caution and properly protect flooring to avoid scratches.

Sweep and/or vacuum the floor on a regular basis. Never use polishes, waxes, harsh chemicals or abrasive cleaners on Mosaic Luxury Vinyl.

Dry mop floor using a microfiber mop pad or appropriate floor vacuum to remove dust particulate from the floor.

Spray a neutral pH cleaner, such as Aqua Mix AquaKleen onto the floor in manageable areas as it may dry quickly. Use a microfiber mop or towel to clean the floor. Replace with a clean mop head or towel as needed to avoid spreading dirt around. Continue to clean floor in sections as necessary.

As needed, rinse the floor with water only to remove any residual cleaner from the floor.

Avoid direct sunlight exposure for prolonged periods of time as this may result in discoloration. Close blinds during peak sunlight hours as excessive heat and light will subject the flooring to fading.

Any questions? Please reach out directly to your local Mosaic branch.

Certification

Scientific Certification Systems (SCS Global) is a neutral third party leader in quality certification for environmental safety standards. FloorScore is specific to the hard surface flooring industry and meets CARB requirements for indoor air quality as well as green building standards including LEED.
